

# Third Grade News

April 16<sup>th</sup>-April 20<sup>th</sup>

\*\*Please remember all dates are subject to change. Please look at the assignment page each day.

**Reading:** This week we will continue working on character traits. The classes plan to have a test on their novel and character traits on Thursday, 4/19.

**Spelling:** We will test Thursday on words that end in -less or -ness.

**Grammar:** For the first part of the week we will continue working on possessives. We will have a test on possessive nouns and pronouns on Wednesday, 4/18. The students have completed a few worksheets, and should also study RN 118, 119, and 125. This is a difficult concept for the students. Please review with your child.

**Writing:** We will continue writing a personal narrative with dialogue.

**Math:** We will test Wednesday on the first half of Chapter 8. It focuses on fractions. This is a concept with which the students don't have a lot of experience. Please continue to go over homework with your child. We

will also have another timed multiplication quiz on Wednesday. There are not any retakes this quarter.

**Social Studies:** We will test on Chapter 9 on Friday. Students have a study guide and it is online. It focuses on Michigan's economy. In addition, I am sure your child has mentioned that we will be doing a project in class on a Michigan product. Some of the students have volunteered to bring in a Michigan food product for the class to sample while we listen to the presentations. This is in no way a requirement, and I have asked any students that volunteered to clear it with you first.

**Science:** We are working on Chapter 3, which focuses on plants. We planted sunflowers on Friday, and we are anxious to watch them grow!

**Religion:** We will have a test Tuesday on Chapter 9. It focuses on the Church as the Body of Christ.

**Reminders:**

**Field trip permission slips are due**  
**Wednesday.**
