This will continue working on chapter 2. It focuses on data and graphing. The students will learn how to use and make picture graphs, bar graphs, and line plots. Picture graphs are much easier to make if you know your multiplication facts. Please continue practicing at home. We will have a quiz on 4's, 5's, and 6's mixed on Wednesday. Also, your child should have brought home a list of their scores on these quizzes for you to sign. Please look for it in the Friday Folder.

We will finish our personal essays this week.
