

Third Grade News

December 18th –December 21st.

***Please remember all dates are subject to change. See the assignment page for the most up to date information.

Reading: This week we will continue to work on finding the main idea. All classes are tentatively planning to have a test on finding the main idea and comprehension of the novels so far on January 5th. I cannot speak for the other classes, but my Reading group will also have to know vocabulary from the novel.

Math: Wednesday we will have our multiplication quiz on 7's. We will also have a Math test on Chapter 2 on Wednesday, 12/20. This test is on all types of graphs. The students would benefit from studying the material even if they don't normally study for tests. There is a lot of information.

Religion: We will have a test Tuesday on Advent/Christmas.

Grammar: This week we will review plurals. I cancelled the plurals test due to the snow day, but we will do some review this week.

Writing: We will finish our personal essays. Many of the students are almost done!

Science: This week will do a lab on energy. We will not start the new chapter until after the break.

Social Studies: This week we will finish Chapter 4. We tentatively plan to test 1/9.

Spelling: The next Spelling test will not be until 1/11. This is due to the short weeks and the break. I will let your child know this Monday what list he/she has. I will also post the lists that day, so that those who wish to begin studying can do so.

***Our class Christmas party is Wednesday. If your child wishes to participate in the pizza party please send in the money, so I can send it to Mrs. Brandow.

There is no school on Friday, 12/22.
