December 4<sup>th</sup>-8th

\*\*Please remember all dates are subject to change. Please look at the assignment page each day.

**Reading:** This week we will be work on cause and effect. Each classroom will continue with their chapter books.

**Spelling:** We will have our test on Thursday, 12/7. This is a difficult lesson for many students. The words are homophones. Please practice at home. It is a good idea to ask the students the words out of order and give them sentences for each word. This way they will become comfortable with the appropriate spellings instead of just memorizing the order of the list.

**Grammar:** We will continue working on subject and object pronouns, and we will have a test on Wednesday, 12/6.

**Writing:** We will continue to work on our personal essays.

**Math:** We will have a Math test on Tuesday, 12/5. This will be on Chapter 5. Please help your child practice. The questions on patterns

can be very challenging for some students. We will have our timed quiz on 6's on Wednesday.

**Social Studies:** This week we will begin Chapter 4. It focuses on the War of 1812 and pioneer life.

**Religion:** We will continue to learn about Advent.

**Science:** We will have a test on Chapter 6 on Thursday, 12/7. The Chapter focuses on the water cycle, weather, and climate. The students have already received a study guide.

## **Reminders:**

The jeans day for those who earned one from the book fair is Wednesday, 12/6.

There will be no hot lunch available on 12/21.
