\*\*\*\*Please remember all dates are subject to change. See the assignment page for the most up to date information.

**Reading:** This week we will only exchange for Walk to Read on Monday. The students will take their test on comparing and contrasting. After that we will stay in our own classrooms for the remainder of the week. We will retesting student reading levels and working on informational text.

**Math:** This week we will continue working on chapter 6. This chapter focuses on division. Please be sure to keep practicing all math facts at home. The students who know all their multiplication facts well have a huge advantage over those who do not this chapter. **We will test on Thursday on 6.1-6.5. We will also have our 11's timed quiz this week.** Just a reminder, many students need to retake the 7, 8, 9 review. This would be a good week to do that.

**Religion:** This week we will finish chapter 8, which focuses on the

Paschal Mystery. **We will have a test on Friday.**

**Grammar:** Monday we will finish adjectives and **we will have a test Tuesday.** The students should review pages in the Reader's Notebook and the worksheets that came home in the Friday Folder.

**Writing:** This week we will try to finish up our descriptive piece and our "how to" writing.

**Science:** This week we will finish Chapter Two Lesson 6. It focuses on electrical energy. **Our test will be 2/15.** Please be aware that this chapter contained six lessons. There is a lot of material and a lot of vocab.

**Social Studies:** **Tuesday, 2/6, we will test on Chapter 6.** This chapter focuses on technology after the Civil War and immigration.

**Spelling:** **The spelling test will be Thursday.** The words have the /k/ or /kw/ sound.

Reminders:

Friday is a half day due to the GALA. There are no P.M. buses. Hope to see you there!
