Date: January 15th-19th

Reading:

This week we will finish up fact and opinion. We will have a test Friday on the skill and the novel.

Math:

This week we will continue working on area and perimeter. These sections focus on finding the area of combined rectangles, finding rectangles with the same perimeter and different areas, and the same areas but different perimeters. We will also have our quiz on 9's. The students will take this quiz, but since there is no time for them to retake it if needed, it will count towards the third quarter. Please remind your child that this is the last week to retake any of the others.

Spelling:

We will have a test Thursday, 1/18. This week's words have the vowel sound in nurse.

Writing:

We have begun working on personal expertise papers.

Grammar:

This week we will focus on subject/verb agreement.

Religion:

We will have an open book test on Chapter 7 on Wednesday. This Chapter focused on the "Good News." We will then be working on a project for Catholic Schools Week.

Social Studies:

We are doing a brief overview of Chapter 5. It focuses on the Civil War. It is not a large part of the third grade standards, but the students need to be exposed to it to understand the next chapter. We will begin Chapter 6 on Tuesday. It focuses on growth after the Civil War.

Science:

We are working on Chapter 2 in Science. Due to the long chapter, we have decided to have a quiz on lessons one to three on Friday, 1/19.
