**Reading:** This week we will finish our unit on text features.

**Math:** We will finish Chapter 3. We will have a **test on Monday, 10/23.** We will then continue with Chapter 4 which also focuses on multiplication. Please have your child practice facts daily. We will also continue our timed quizzes this week on Wednesday. The second one will be on 2's. Students can retake the 0's and 1's if needed. These quizzes will eventually be averaged for a test grade. I have sent home a login for XtraMath. I set this program up to let the students start with multiplication. Please also have your child use Moby Max Facts Fluency to review addition and subtraction facts.

**Religion:** This week we will work on Chapter 5. It focuses on liturgy and worship.

This week we will continue working on adjectives. We will then focus and verb tenses.
